## Experience

### Community Building at Srinivas University, Mangalore

Under the guidance of a skilled team, the entire website was meticulously redesigned and rebuilt from the ground up. The reconstruction process involved implementing cutting-edge technologies, intuitive design principles, and user-centric features to ensure a modern and responsive website.

### Tech Startup in Mangalore - Nexel

Highly motivated and dedicated professional with a proven track record of success in website creation, SEO, and related services. Seeking to utilize my skills and expertise at Nexel to contribute to the company's growth and deliver exceptional results for clients.
